PARTNER CORNER

Please be sure to check your listing on our worldwide partner map <http://tinyurl.com/DiscDome>.

I will be creating a second icon to represent separately those who have domes available for RENTAL. If you have domes available for rental, please let me know and I will change your icon color.

Watch your mail for your service contract renewal! If you haven't purchased a system or a show in the last two years, your service contract is up for renewal. Groups who renew get special discounts on new equipment and shows, plus access to new videos and games! Also, we have two email lists: the FUN-list is for paid partners only, and the VIDEO list is for groups whose service contract has lapsed.
